About International University of Malaya-Wales

International University of Malaya-Wales (IUMW) is a private university located in Kuala Lumpur, Malaysia. IUMW was established based on a mutual partnership between the University of Malaya (UM) & the University of Wales, UK. Leveraging on both universities' outstanding achievement, together with our own band of academicians, IUMW offers an array of undergraduate and postgraduate courses to both local and international students.

IUMW aspires to be a comprehensive research-informed university, recognised for its innovative teaching and learning, social services and education management. The International University of Malaya-Wales experience transforms students into lifelong learners, dedicated to service, with the knowledge, skills and confidence to succeed and lead in the region, state, nation and world.

Why IUMW?

- Owned by University of Malaya and University of Wales
- Access to UM's laboratories
- International & research-informed university
- Quality teaching & learning
- Competitive tuition fees
- Campus location is easily accessible via public transport
- Vibrant campus life
- Financial assistance available*

FOUNDATION IN ARTS

PROGRAMME OVERVIEW

IUMW Foundation in Arts is a one-year preparatory programme. It provides students an insight into various disciplines in the Faculty of Business or Faculty of Arts and Humanities. The curriculum boosts students' proficiency in the English Language, thereby enabling them to cope better with tertiary studies and communicate more effectively. Students will also gain knowledge to think independently and creatively as well as learn at an early stage to operate in a constructive, ethical and professional manner.

ENTRY REQUIREMENTS

- SPM/SPMV/O Level: Pass with at least credit in any five (5) subjects
- UEC: Pass with at least grade B in three (3) subjects
- Other equivalent qualifications recognised by the Malaysian Government or University's Senate
- Must sit for IUMW English Placement Test

English requirement for international students

Pass IUMW Intensive English, or IELTS with minimum Band 5, or TOEFL with a minimum score of 500

"If you are going through my testimony just because you are planning to sign up for the course, my advice for you, would be, just go for it. The opportunity to study at IUMW has made all the difference to me. With unrivalled expert guidance, my overall experience was simply beyond my expectations."

Fara Alisha Zulkifli
Foundation in Arts

FOUNDATION IN SCIENCE

PROGRAMME OVERVIEW

This one year foundation programme provides students with a solid platform to further studies at Faculty of Science, Technology, Engineering and Mathematics (STEM) or the Faculty of Health and Social Sciences. Students of this programme will not only acquire solid basics in the core Science subjects, but be empowered by other relevant skills such as critical thinking, public speaking and presentation techniques.

On top of that, they will be given plenty of hands-on experience, essential for any student who wishes to excel in the science fields. The programme allows them the privilege of conducting their practical in the state-of-the-art science laboratories at the Centre for Foundation Studies in Science (PASUM), University of Malaya.
